

The Baton is on its Way

**North Yorks West will receive the Baton from North Yorks East on
Wednesday 23rd April 2014**

**North Yorkshire
to West Yorkshire
Wednesday 30th**

**West will handover
on
April 2014**

Centenary celebrations begin for WI members everywhere as the specially designed centenary baton officially begins its journey around the UK. The baton, launched in Anglesey where the first WI meeting was held in the UK in 1915, will now travel throughout the 69 federations in England, Wales and the Islands to celebrate the links of friendship and community developed through the WI, and will finish its trip at the Annual Meeting in June 2015 at the Royal Albert Hall.

We Need Your Help

We have to provide 12 photographs to be put on to a memory stick and loaded into the Baton.

The photos should give an overview of our Federation, a mixture of members, landmarks, buildings, scenery, people, work, etc. whatever you feel really depicts the heart of your area, e.g. Betty's Tea Rooms, Ribbleshead Viaduct, Fountains Abbey, Wallace and Gromit or WI Event - the sky's the limit!

So come on submit your photographs to Alma House before

Friday 21st March 2014 then they can be put on display at Spring Council and you can then vote for your favourite 12.

Baton Events

Events where you can see the chosen photographs, Baton and hear about the Baton's experiences so far
