

Don't miss out on events! Here are the ways to book your tickets.

1. BOOK DIRECT WITH EVENTBRITE	2. ASK A FAMILY MEMBER, FRIEND OR WI 'BUDDY' TO BOOK YOUR TICKET	3. ORDER VIA YOUR WI SECRETARY
Members use the code on the WSWFI Calendar at the back of the WSN, sent out via their WI Secretary or from the website. We have shortened this code to make it more user friendly.	Members ask family or a friend to book their ticket, or WIs ask members who are confident online to 'buddy up' and assists those that are not online.	Members ask their WI Secretary to contact the Office/ Events Team Chairman and details will be entered into Eventbrite and tickets sent to Secretary, the office will invoice the WI for tickets. Please only use this method if the other 2 are not available to you.

When tickets are booked Eventbrite will send an email to the person who made the booking which will include printable tickets for in person events or the Zoom link for virtual meetings.

Please ensure you keep this email securely so that you can find it when required for the event.
