INSPIRING WOMEN

Do you enjoy meeting people?

Would you like to make new friends?

Do you enjoy learning new skills and having new experiences?

Do you enjoy good educational days out?

Would you enjoy a nice meal with a good speaker?

Are you interested in local and national issues?

Do you want to change the world around you and meet like-minded women?

We also have our very own educational college - take a look at www.denman.org.uk

What is the Women's Institute?

The Women's Institute (WI) was formed in 1915 to revitalise rural communities and encourage women to become more involved in producing food during the First World War. Since then the organisation's aims have broadened and the WI is now the largest voluntary women's organisation in the UK. The WI celebrated its centenary in 2015 and currently has almost 220,000 members in approximately 6,300 WIs.

The WI plays a unique role in providing women with educational opportunities and the chance to build new skills, to take part in a wide variety of activities and to campaign on issues that matter to them and their communities.

The WI is based on the ideals of fellowship, truth, tolerance and justice. The organisation is non-sectarian and non-party political. WIs are charitable and everything they do must be consistent with that special legal status.
