Have you ever wondered why some hand-knitted items look attractively hand-made and others are just wonky? What makes the difference between a knitted garment you are proud to wear and one that sits at the bottom of the drawer taking up space? Why did THAT entry win the knitting class? Come and learn some techniques and tips for adding that extra something to your knitting. Suitable for anyone who can knit (cast on, cast off, plain and purl) and who wants to learn. You will receive a list of items you will need closer to the date.
