

## MAKE YOUR WI EVERYTHING YOU WANT IT TO BE. NEWS FROM THE MEMBERSHIP AND ENGAGEMENT TEAM

### What's RIGHT for you?

There are lots of WI membership options open to you and finding the right one will help you make the most of your WI experience. For instance, you can be a member of multiple WIs that meet both in-person and virtually. Or you can become an Associate, where you are not affiliated with a specific group.

Perhaps you know a former WI member? If they haven't been a member in the past subscription year, they can re-join the WI by paying a pro-rata rate. And any of last year's members who wish to re-join this year but haven't done so yet, can re-join now by paying their WI's full subscription.

#### Why not take our quick quiz to find out which option suits you?
