Campaign Background

NFWI-Wales and Joyce Watson MS established the Not in my Name Campaign in 2012 to raise awareness that Violence Against Women (VAW) should never be accepted, ignored or excused. By engaging WI members in recruiting male ambassadors from their local community, it aims to challenge the attitudes and behaviours of a minority of men who use or condone VAW.

Not in my Name is focused around the 16 Days of Activism Against Gender-Based Violence from 25 November (White Ribbon Day and the International Day for the Elimination of VAW) to 10 December (Human Rights Day).

The white ribbon is a symbol of men's opposition to VAW. Wearing a white ribbon is a promise to 'never commit, excuse or remain silent about male violence against women'.
