

We hope WI members are enjoying having access to the range of live and on demand education available on the WI Learning Hub. We have put together [step-by-step guides](#) which are available via the Access Anytime section of the website as well as lots of useful information in the [FAQs](#). If you encounter any problems not answered by our guides or FAQs please get in touch with the team by emailing wilearninghub@nfwi.org.uk.

Access Anytime:

Open Learn

Members can access e-learning modules on topics such as finance and languages through our collaboration with Open Learn. Newly appointed WI Treasurers or those wanting to further their skills may find the 'Introduction to Bookkeeping & Accounts' and 'Fundamentals of Accounting' particularly useful. [Click here to find out more](#) or go to the [Learning Hub website](#) and click 'Access Anytime' > 'On Demand' and search 'Open Learn'.

Getting on Board – Festival of Trusteeship

We are pleased to offer members access to recordings from Getting on Board's latest Festival of Trusteeship. New topics will be released monthly and there are now six sessions available to watch. [Click here to find out more](#) or go to the [Learning Hub website](#) and click 'Access Anytime' > 'On Demand' and search 'Getting on Board'.
