

# Norfolk Federation Centenary Celebrations

Programme for  
**2019**

We have produced this programme booklet to announce the major events planned to celebrate our Centenary year – and to help you plan WI events and your own diaries!

Hopefully this will give you a flavour of what's to come but full details, including any unavoidable changes, will be sent out in the monthly mailings. (Just note the dates when you can apply and be aware that we won't be able to accept earlier bookings!)

Please share this with every member in the WI, have it on display at meetings and feel free to copy it or email it.

It is hoped that there is something for everyone and that you will join with us in celebrating this wonderful milestone.
